

**Main technical features:**

Max current - measurement part: ..... 63 A  
 Max current - junction part: ..... 160 A  
 Rated voltage: ..... 230/400 V  
 Rated voltage of the insulation: ..... 500 V  
 Rated frequency: ..... 50~60 Hz  
 IP protection level: ..... IK10, IP 54  
 Working temperature: ..... -25~55 C  
 Compatible with norms: ..... EN 60 439-1  
 Insulation class: ..... II

Type:

**LG269124**

Card number:
