

**Main technical features:**

- Max current - measurement part: ..... 63 A
- Max current - junction part: ..... 160 A
- Rated voltage: ..... 230/400 V
- Rated voltage of the insulation: ..... 500 V
- Rated frequency: ..... 50~60 Hz
- IP protection level: ..... IK10, IP 54
- Working temperature: ..... -25~55 C
- Compatible with norms: ..... EN 60 439-1
- Insulation class: ..... II

Type:

**LG809132**

Card number:
